Groups are welcome at LARK Toys, thought to be the largest independent specialty toy store in the U.S. Visitors may enjoy our Memory Lane Antique Toy Museum (free), our hand-carved wooden carousel ($2 per ride) and shopping our many rooms for toys, books, games, gifts, and candy. We manufacture toys on site, and we hand pick the best open-ended educational and specialty toys, games, puzzles, books, and gifts we can find. We also make our own fudge.

LARK Toys was voted the best toy store in Minnesota by WCCO viewers, & named one of the 10 coolest-best toy stores in the world by Reader's Digest Canada, USA Today, Buzzfeed, & MentalFloss.com.
