- Large groups may play 50 at a time on our 18-hole mini-golf course. Please divide kids into 4- or 5-person groups in advance, assign scorekeepers, and acquaint them with rules.
- We suggest 20 to 30 minutes if you wish to allow shopping time. Try to ensure that all children have a little money to select a treasure to take home. Please divide kids into small shopping groups, each with an adult who will supervise them at all times through our stores and restrooms.
- We expect kids to be respectful of LARK staff, guests, property, and one another.
